DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant has submitted an IDS after notice of allowance and on the same day as the issue fee with the request that the office action from the Canadian Patent Office (listed on the IDS) be placed in the record under 37 C.F.R. 1.97(i).

1.97(i) states that: (i) If an information disclosure statement does not comply with either this section or § 1.98, it will be placed in the file but will not be considered by the Office.

The IDS does not comply with 1.97(e) because the cited Office action was mailed to applicant from the Canadian Patent Office on Jan 6, 2011 (more than 3 months from filing the IDS). The IDS is X'd out and will not be considered by the Examiner, but has been placed in the record as requested.
